

**Tan BK, Adya R, Farhatullah S, Chen J, Lehnert H, Randeve HS. Metformin treatment may increase omentin-1 levels in women with polycystic ovary syndrome. *Diabetes* 2010;59:3023–3031**

In the RESULTS section (page 3025) of the article listed above, the sentence “Table 1 shows the anthropometric, biochemical, and hormonal data in all subjects” should have read “Table 1 shows the anthropometric, biochemical, and hormonal data in PCOS and control subjects.” The online version reflects these changes.
