

Rincon N, Xu K, Li J, Martinez JA, Singh GS, Han D, Lalli P, Ayer A, Tse K, Rong L, Schmidt AM, Toth CC. Blockade of receptor for advanced glycation end products in a model of type 1 diabetic leukoencephalopathy. Diabetes. 19 November 2012 [Epub ahead of print]

The authors have formally requested to retract the above-titled paper, which was published online on 19 November 2012. The authors cite concerns that portions of Fig. 4 were submitted without knowledge of inherent errors or abnormalities that they recognized in retrospect after submission. Therefore, the article has been retracted so the authors can readdress the work and submit it for publication at a later time.

A clarification has been published: <http://dx.doi.org/10.2337/db14rt05b>
