DPP-4 Inhibitors Improve Diabetic Wound Healing via Direct and Indirect Promotion of Epithelial-Mesenchymal Transition and Reduction of Scarring

ISSUES AND EVENTS

Issues and Events

The American Diabetes Association (ADA) is the nation’s leading voluntary health organization supporting diabetes research, information, and advocacy. Its mission is to prevent and cure diabetes and to improve the lives of all people affected by diabetes. ADA is the leading publisher of comprehensive diabetes information. Its huge library of books and periodicals covers every aspect of diabetes and diabetes care.

To join ADA: Call 1-800-806-7801 or visit professional.diabetes.org/membership
To subscribe to ADA journals: Call 1-800-DIABETES or go to diabetescournals.org
To order ADA books: Call 1-800-232-6733 or visit shopdiabetes.org
To access ADA’s library of professional resources: Go to professional.diabetes.org
For more information about diabetes or ADA programs and services: Call 1-800-DIABETES. E-mail: AskADA@diabetes.org or visit diabetes.org
To locate an ADA/NCQA Recognized Provider of quality diabetes care in your area: Visit recognition.ncqa.org
To join the fight to increase funding for diabetes research, end discrimination, and improve insurance coverage: Call 1-800-DIABETES or visit diabetes.org/advocacy
To find out how you can get involved with the programs in your community: Call 1-800-DIABETES or visit diabetes.org/in-my-community
To find out about important research regarding diabetes: Go to diabetes.org/research-and-practice
To make a donation or memorial contribution: Call 1-800-DIABETES or visit diabetes.org/donate
