

## Issues and Events

### PROFESSIONAL EDUCATION

The American Diabetes Association offers a variety of continuing education opportunities and materials for health care professionals. Educational offerings include live and free online programs. For more information, including a complete list of American Diabetes Association programs, please visit [professional.diabetes.org/ce](http://professional.diabetes.org/ce).

### SCIENTIFIC SESSIONS

The 79th annual American Diabetes Association Scientific Sessions will be held in San Francisco, California, on 7–11 June 2019, at the Moscone Center. The largest of its kind, this meeting brings together scientists and health care professionals from around the world who are involved in diabetes research and care. Attendees choose from over 3,000 original presentations given by leading experts in the field. For more information, please visit [scientificsessions.diabetes.org](http://scientificsessions.diabetes.org).

### ADVANCED POSTGRADUATE COURSE

The 66th annual American Diabetes Association Advanced Postgraduate Course will be held in New York, New York, on 22–24 February 2019. Join your colleagues and diabetes experts for presentations and discussions on cutting-edge clinical research in diabetes. The course will cover the latest clinical research translated into evidence-based treatment strategies to improve outcomes in your patients with diabetes. Discuss clinical cases with world-renowned faculty, and take home practical patient management tools that you can use immediately in your practice. For more information, please visit [professional.diabetes.org/ce](http://professional.diabetes.org/ce).

### 34th ANNUAL CLINICAL CONFERENCE ON DIABETES

The 34th Annual Clinical Conference on Diabetes will be held in Orlando, Florida, on 23–26 May 2019 at the Hyatt Regency Orlando. It will provide a comprehensive update on the treatment of diabetes, cardiovascular disease,

obesity, and comorbidities. The ADA Clinical Conference is developed specifically to provide current clinical information utilizing different teaching methods, including didactic general sessions and small-group, interactive learning opportunities. For more information, please visit [professional.diabetes.org/ce](http://professional.diabetes.org/ce).

### DIABETES CARE ONLINE COLLECTIONS

*Diabetes Care* periodically publishes special article collections related to a specific topic, study, or aspect of diabetes care, prevention, and treatment. These collections appear in the print and online editions of *Diabetes Care*. Learn more about previously published collections at [care.diabetesjournals.org/content/diabetes-care-online-collections](http://care.diabetesjournals.org/content/diabetes-care-online-collections).

### STANDARDS OF MEDICAL CARE IN DIABETES—2019

American Diabetes Association “Standards of Medical Care in Diabetes” are based on a complete review of the relevant literature by a diverse group of highly trained clinicians and researchers. After weighing the quality of evidence, from rigorous double-blind clinical trials to expert opinion, recommendations are drafted, reviewed, and submitted for approval to the American Diabetes Association Executive Committee. To see the 2019 Standards, please visit [professional.diabetes.org/SOC](http://professional.diabetes.org/SOC).

### PATHWAY TO STOP DIABETES CALL FOR NOMINATIONS

The American Diabetes Association is pleased to open the Call for Nominations for Pathway to Stop Diabetes Awards. Pathway provides substantial support to exceptional scientists who are early in their diabetes research careers or who are established in other disciplines but are interested in applying their expertise to diabetes research. Applications are due by 1 July 2019. For more information, please visit [diabetes.org/pathway](http://diabetes.org/pathway).
