STANDARDS OF MEDICAL CARE IN DIABETES—2021

American Diabetes Association “Standards of Medical Care in Diabetes” is based on a complete review of the relevant literature by a diverse group of highly trained clinicians and researchers. After weighing the quality of evidence, from rigorous double-blind clinical trials to expert opinion, recommendations are drafted, reviewed, and submitted for approval to the American Diabetes Association Executive Committee. To see the 2021 Standards, please visit professional.diabetes.org/SOC.

DIABETES STANDARDS OF CARE 2021 HIGHLIGHTS WEBCAST

Join ADA’s Chief Scientific and Medical Officer, Robert Gabbay, MD, PhD, for a presentation on the key updates and highlights from the *Standards of Medical Care in Diabetes—2021*. To access the webcast, please visit professional.diabetes.org/SOC.

“DIABETES AND COVID-19” SPECIAL ARTICLE COLLECTION

“Diabetes and COVID-19” is an online collection of articles on the *Diabetes Care* website featuring the latest studies, clinical observations, and commentaries on COVID-19 with specific relation to patients with diabetes. Topics include management of diabetes and its complications during the pandemic, blood glucose control and remote glucose monitoring, and outcomes in patients with hyperglycemia, cardiovascular risk, and obesity. This web page is updated regularly as relevant *Diabetes Care* articles are published online ahead of print. To access the collection, visit care.diabetesjournals.org/collection/diabetes-and-COVID19.

81st SCIENTIFIC SESSIONS

The American Diabetes Association’s 81st Scientific Sessions will take place as a virtual meeting on 25–29 June 2021. The Scientific Sessions offers researchers and health

care professionals an exceptional opportunity to share ideas and learn about the significant advances in diabetes research, treatment, and care. Advance registration is now open. Please visit professional.diabetes.org/scientific-sessions for further information.

DIABETES CORE UPDATE PODCASTS

Diabetes Core Update is a monthly audio podcast devoted to presenting and discussing the latest clinically relevant articles from the American Diabetes Association’s scholarly journals. Each episode is approximately 20 minutes long and presents 5–6 recently published articles. *Diabetes Core Update* podcasts are free and can be accessed through Apple Podcasts, Google Play, or RSS feed. Alternatively, tune in directly from our website at diabetesjournals.org/content/diabetes-core-update-podcasts.

CLINICAL DIABETES DIGITAL PUBLICATION

In a series of short videos now available on the *Clinical Diabetes* website, an expert panel moderated by John Anderson, MD, discusses approaches to optimizing basal insulin initiation and treatment in people with type 2 diabetes, including those at high risk such as individuals with renal impairment and older adults, with a focus on reaching A1C goals while mitigating the risk for hypoglycemia. An executive summary and videos of the full panel can be found at clinical.diabetesjournals.org/content/basal-insulin-videos.

COVID-19 AND DIABETES: RESOURCE WEBPAGE

The American Diabetes Association is dedicated to ensuring that you stay informed of the latest COVID-19 research and guidelines. Our new online page for diabetes professionals includes essential resources and information—including webinars, patient guidance, relevant news articles, a discussion forum, and more. Follow updates and join the conversation at professional.diabetes.org/content-page/covid-19.
