<https://doi.org/10.2337/db21-er06c>

In the above-cited article, the “CTR 12w” image in Fig. 2F was inadvertently duplicated in Fig. 7F as the “DKO+TNFRI” image. The correct “DKO+TNFRI” image for Fig. 7F is shown below.

The online version of the article (<https://doi.org/10.2337/db11-1763>) has been updated with the corrected figure.

The authors apologize to the readers for any confusion this may have caused.
